Approval of March 10, 2016 Minutes

The Board reviewed the minutes of the March 10, 2016 meeting of the NYRA Board of Directors. Upon motion, duly made and seconded, the Board unanimously approved the minutes of the March 10, 2016 meeting, without dissent or abstentions, and directed that the minutes be added to the permanent records of the corporation. A copy of the resolution is attached hereto as *Exhibit 1*.

Report of the Vice Chairman

Mr. Del Giudice introduced a presentation acknowledging the contribution of the late Ogden Mills (Dinny) Phipps to the sport of horseracing.

Report of the Chief Executive Officer and President

Mr. Kay presented his report to the Board, detailing the results of the Aqueduct Winter Meet which saw a 14.6% increase in average daily handle, and a 22.8% increase in total handle, despite a reduction in field size of 2.4% and more racing days than the prior year. Mr. Kay then discussed NYRA's performance in comparison to the rest of the racing industry, noting that the 79.24% national increase in handle in the first quarter of 2016 was largely attributable to NYRA's increased handle figures during the same period.

Next, Mr. Kay discussed NYRA's performance in the area of equine safety. NYRA's Catastrophic Rate of Injury (CRI) was 1.09 in 2015, versus the national average of 1.62, and 1.30 during the 2016 Aqueduct Winter Meet as compared to 2.20 during the same meet the prior year.

Mr. Kay then presented an update on favorable advance ticket sales for two significant upcoming racing events; the Belmont Stakes Racing Festival and the Saratoga Race Meet.

Report of the General Counsel - Reprivatization

Mr. Lambert presented the NYRA Reprivatization Plan to the Board, summarizing NYRA's reorganization efforts to date, discussing options for NYRA's legal and governance structures, and providing detailed financial information on NYRA's 2014 and 2015 actual results, approved 2016 budget, and proposed 2017 financial plan. The Board unanimously approved the Reprivatization Plan, as presented. The Board members unanimously recommended to the New York State Governor and Legislature that NYRA be returned to private control with a Board constituted either with all private appointees or a majority of private members and four minority public appointees, with the latter being the preference of the Reorganization Board. A copy of the resolution is attached hereto as *Exhibit 2*.

Adjournment

The Chairman called for additional business. There being no further business to come before the Board, the meeting was concluded at 2:44 p.m.

Joseph J. Lambert
